

St. Andrew's Youth Scholarship

Any St. Andrew's student planning on attending post secondary education for the first time in the fall of 2021 are eligible to apply for the \$1000 St. Andrew's Youth Scholarship. Application forms may be requested from Rhonda Wishart, Convenor of the Faith Formation Team which administers the scholarship (Rhonda.wishart@icloud.com) or from Carolyn Jerrard, Youth Leader (cdjerrard2@gmail.com). The application deadline is June 15.

Help Provide a Spring Treat for our Post Secondary Students

The Faith Formation Team hopes to provide a treat to each of our post secondary students during the upcoming exam period, letting our students know they are being thought of by St. Andrew's members, who hold them in their prayers. You may recall that shoeboxes filled with treats were organized in the past and sent to our students at exam time. COVID has made the shoeboxes more challenging so a simple gift card is our preferred option – whether it is a Starbucks, Tim Horton's or Chapters/Indigo gift card enclosed in a card with a hopeful and caring message, the student will be grateful for the gift and encouragement. If you are interested in helping by taking a student's name and arranging a gift card, please email Rhonda Wishart at Rhonda.wishart@icloud.com (or phone 403-614-9924) to be provided a name and address.
