The latest news at St. Andrew's

**September 2021 Updates for the St. Andrew's family members without internet technology or visually challenged.**

On Sunday, September 5th, Dr. Geoffrey talked about how we experience joy when we see our children interacting with our seniors, sharing God's beautiful world. We are a church community, and we come in all ages and stages, sharing life together.

We would like to express our thanks to ALL of the people who participated in, and helped lead, activities, meals, and worship at Sheep River Provincial Park. Special thanks to Craig and Inge Murray. We know you do this as an act of love, but please know how much we appreciate both of you and your gifts of building community! Special thanks as well to Dr. Geoffrey and his wife Joan for their presence and participation, and to Dr. Geoffrey for leading worship.

Our thanks for a Family Fun Day with Butterfield Acres' little critters, a scavenger hunt, goody bags, and lots of laughter and community building for all ages!

Thanks to the Faith Formation Team, particularly organizers extraordinaire Inge Murray, Lorna Andronikou and Rhonda Wishart - and Fiona Swanson for her community outreach.

An invitation from our Director of Music Ministries, Evan Mounce

As we regather our Music Ministry it is the perfect time to bring new people into this family! Perhaps singing classic carols with full organ accompaniment in a Cathedral might sound like fun? Maybe you play an instrument and would be open to sharing your music for a special occasion? Perhaps you would like to try ringing some handbells? Please reach out! I'd love to hear more about your music making and get you involved in the Music Ministry at St. Andrew's. I look forward to hearing from you. Please send me an email at [emounce@standrewscalgary](mailto:emounce@standrewscalgary).

*In response to the devastating confirmation of unmarked graves on the grounds of former residential schools, and in honour of the children who were lost and all the people living with the consequences of that legacy, The Presbyterian Church in Canada has established a new fund:*
