

The Worship Team would like to thank everyone who responded to our survey. We were very pleased that **114 people** took the time to provide feedback so that we can continue to plan meaningful worship this fall and winter.

Would it surprise you to know that 70.37% of respondents watch our worship services on-line WEEKLY? Or that 61.82% would prefer our morning service at 10:00 am?

Please note: this survey was sent out prior to the most recent Covid restrictions and recommendations. To keep everyone who enters our doors as safe as possible, St. Andrew's will be following AHS guidelines. We are now asking everyone who comes to worship to show proof of vaccination, masks are always worn, we are safe distancing, and no food or drink is allowed.
