

ROBERT HOULE

RED IS BEAUTIFUL
MISQUAH ONÉSHESHEN

As part of St. Andrew's Presbyterian Friendship Circle mission group's commitment to further our understanding of Indigenous history and culture, we would like to invite you to join to the following event;

WHAT: ROBERT HOULE art exhibit "RED IS BEAUTIFUL"

DATE: Sunday September 11th at 12:45pm

WHERE: Contemporary Calgary (the Old planetarium, 701, - 11th St SW)

COST: between \$5-10/person - to be finalized once total attendance is confirmed

Judy McKearney, Margaret Bruhjell-Holmes and Linda Humphreys toured the exhibition and found it to be full of beautiful, colourful and large installations of insightful pieces. The guided tour brought appreciation of Robert's Indigenous upbringing as it was presented in his abstract art form. The guided tour walked through with contemplation of Robert's 50 years of knowledge of indigenous struggles, which were nicely balanced with, resilience and sacredness of his people's culture. For further information here is the gallery's link to the exhibit.
