Jesus made an inescapable influence on our world. And you will learn how you can make one too!

Jesus is history's most familiar figure. His impact on the world is immense and non-accidental. From the Dark Ages to Post-Modernity, he is the man who won't go away. And yet...

He did not brashly defend his movement in the spirit of a rising political or military leader. He did not lay out a case that history would judge superior in all future books. He did not start by telling his disciples, "Here are proofs of my divinity; affirm them and I'll accept you."

***Who is this Man?*** Illustrates how Jesus' influence has swept over history, bringing his inspiration to the evolution of art, science, government, medicine, and education. And how his vision for us to lead lives of dignity, compassion, forgiveness, and hope continues to inspire and challenge humanity today.
