

Dr. Seuss has NOTHING on Rev. Fiona!!!

On Sunday, Rev. Fiona shared a poem she wrote to help us 'Open our eyes wide and take a long look'. We are blessed to have someone with such creative writing skills in our midst!!

What do we see as we walk out the door...
Is there someone who needs help a little bit more?
Food Bank, and Claire House, Grief Ministry are only a few,
of the things that we, the people of St. Andrew's do.
Sharing with neighbours in word and in deed
spreading the message of Jesus - a tiny seed -
Planted and watered by God's great love
as we work to bring heaven to earth, as above.
Growing. Life. Together. With God. is the way
to remind us that Jesus calls to us everyday!
Woven into the neighbourhood, growing disciples like Jesus.
Sharing the good news that he will never leave us.
This is the message from God's holy book,
it has all the answers - just take a look.
The Spirit will help us through what we pray
and Jesus, our Saviour, will show us the way.
The tomb - it is empty - and Jesus is Alive!
That's the message we shout at St. Andrew's on Heritage Drive!!
~ Rev. Fiona
