Jesus was fond of asking questions, many of which cut right to the heart of what it means to be human. Author Magrey deVega explores six of the most provocative questions Jesus posed to others and guides us in answering them for ourselves.

#### 1. Who do you say that I am?

- The answer is not just about information, but about a personal commitment to follow Jesus. Who is Jesus for you, and what difference will this make in your life?

#### 2. Why are you terrified?

- In this session Magrey uses Jesus' question to highlight God's power to calm storms, both in the world and within our own hearts, bringing us to a place of peace and trust.

#### 3. Why are you anxious?

- Magrey discusses Jesus' question and the power worry can have in our lives, and offers ways we might acknowledge and overcome worry as followers of Jesus.

#### 4. What do you live for?

- Magrey explores how the cross stands at the center of this question, because it is on the cross that God turns loss and defeat into victory and eternal life.

#### 5. Who will you love?

- 'If you love those who love you, what credit is that to you?' Magrey shows how this question of Jesus is one of the hardest to hear and answer.

#### 6. What are you looking for?

- Two disciples come to Jesus, and Jesus asks them, 'What are you looking for?' Magrey demonstrates that this isn't just a practical question, but one meant to search their hearts.
