

Exams can be HARD! Help Provide a Treat for a Post Secondary Student During Christmas Exams

To show your support to one of our post secondary students, you can provide them with a gift card and a note of encouragement. We ALL need encouragement - and it's a pretty easy gift to give.

The Faith Formation Team has been organizing a gift card for each of St. Andrew's post secondary students during both the Christmas and spring exam period for several years. We think it is important that our students know they are being thought of and supported by our congregation while they are studying. It can be a stressful time for many students. We have 7 post secondary students this fall and are seeking 7 individuals or families interested in supporting this worthy cause by purchasing a \$25 gift card i.e., a Starbuck's, Tim Horton's, Subway, Chapters/Indigo gift card. You would mail the gift card with a caring handwritten message to a student, whose name and address will be provided to you by the FF Team. The students are always grateful for the gift and encouragement! If you are interested, please email Rhonda Wishart at Rhonda.wishart@icloud.com (or phone 403-614-9924) to be provided the name and address of a student. Thank you to all past and current participants!
