

Help support the Church School's Foster Child in Haiti!

Have some cash in your pocket or purse for a church school cookie sale after service on Sunday, Nov. 5th.

As many of you know, St Andrew's church school sponsors a **foster child** through Compassion Canada. Five-year-old Joud lives in poverty in Haiti where circumstances are very unsettled. The church school supports a foster child as a way of building on our practice of teaching our children about the importance of mission in the world around us. The sponsorship with Compassion Canada requires a \$25 Christmas and a \$25 birthday gift for Joud (in addition to the monthly sponsorship fee paid by the Faith Formation Team), to ensure all sponsored children are treated equally.

The children are committed to raising the \$50 for Joud's Christmas and birthday gifts as a **group effort** and will be hosting the cookie sale on Nov 5, 2023 after the worship service.
