

CALLING THE REV. LAURIE MCKAY – NEXT STEPS

Following the congregational meeting, signatures were gathered in the KE Lounge – as you can see from this picture, great attention was paid by our youngest church family members to get their names added!!

If you were here on Sunday and signed the call documents, you have done what you need to do in this process – and we thank you!!

You can still sign the call even if you were not with us on Dec 3rd or if you didn't watch the service online. Know that the Search Team and the Session have both endorsed this candidate unanimously, and the congregation voted on Sunday to support this call. So you can add your name in support of our decisions. If you were not present, you will receive a call from a Care Connector (probably by phone) and invited to sign. You can do this one of four ways, and ANY of these are just fine:

1. You can ask your Care Connector to add your name to the Call on your behalf (you can do this over the phone, you can email your Care Connector, or email the church office at office@standrewscalgary.ca)
2. Call the office at 403-255-0001 and ask that your name be added
3. You can come to the church office and sign the call
4. You can ask your Care Connector to visit you so you can sign in person

If there are more than one St. Andrew's person in your household, please let your Connector know who all will be signing. We need to get over 80% of our congregation to offer support for this call, so please help us out. Thank you!!
