Call to Worship (Responsive)

Make a joyful noise to God, all the earth;

We will sing to the glory of God
with resounding praise.

A romantic couple stands on a sandy beach at sunset. They are facing each other, with their arms raised and hands joined to form a heart shape that frames the bright sun. The sky is filled with soft, colorful clouds in shades of orange, yellow, and blue. The ocean is visible in the background, with a small sailboat on the horizon to the left. The overall mood is peaceful and joyful.

Say to God,
"How awesome are your deeds!"

God has turned our mourning into
dancing and clothed us with joy.

A romantic couple stands on a sandy beach at sunset. The woman, on the left, is wearing a dark, sleeveless dress and has her arms extended towards the man. The man, on the right, is wearing a light blue tank top and dark shorts, also with his arms extended. Their hands and arms meet to form a heart shape that frames the bright, low sun on the horizon. The sky is a mix of orange, yellow, and blue, with some clouds. The ocean is visible in the background, with a small sailboat on the left.

*Let all the earth worship God
and sing praises to God's holy name.*

○ Lord, our God, we will give
thanks to you forever.

Come, let us worship God.

A large heart shape is the central focus of the image. Inside the heart, there is a sunset or sunrise scene with a person in silhouette, kneeling in prayer with their head bowed and hands clasped. The sky is a mix of orange, yellow, and red, with a horizon line visible. The overall mood is peaceful and spiritual.

Humble Heart**

Words: copyright © Michael Joseph

Morning has broken like the first morning;
blackbird has spoken like the first bird;

praise for the singing, praise for the morning,
praise for them springing fresh from the Word.

Sweet the rain's new fall sunlit from heaven,
like the first dew fall on the first grass;

praise for the sweetness, praise for the morning,
sprung in completeness where his feet pass.

Mine is the sunlight; mine is the morning;
born of the one light Eden saw play;

praise with elation; praise every morning
God's recreation of the new day! ✝

563 Let us talents and tongues employ

Words: Fred Kaan, 1975, Music: Jamaican folk song, adapt. Doreen Potter 1975, Words and music adaptation copyright © 1975 Hope Publishing Company. All rights reserved. Reprinted under ONE LICENSE #605500-A.

Let us talents and tongues employ,
reaching out with a shout of joy:

bread is broken, the wine is poured,
Christ is spoken and seen and heard.

Jesus lives again, earth can breathe again,
pass the Word around: loaves abound!

Christ is able to make us one;
at the table he sets the tone,

teaching people to live to bless,
love in word and in deed express.

Jesus lives again, earth can breathe again,
pass the Word around: loaves abound!

Jesus calls us in, sends us out
bearing fruit in a world of doubt,

gives us love to tell, bread to share:
God (Immanuel) everywhere!

Jesus lives again, earth can breathe again,
pass the Word around: loaves abound! ✝
