

The Indigenous Relations Team is spearheading a fun Family Day Feast for Monday February 16th, specifically for Indigenous children and their families from our neighbouring communities.

A menu has been created that caters to what all children would love to eat. We are looking for several volunteers to prepare a few dishes from the menu to be delivered to Kingsland Community Hall, on Family Day Monday by 10:30am.

The dishes/trays we are looking for are;

- 8 Mac n Cheese casseroles,
- 4 Fruit trays
- 4 Veggie trays.

Recipe and ingredients will be supplied for the the Mac n cheese. For the veggie and fruit trays, we will ask you to purchase for reimbursement the supplies you need.

If you are able to assist by preparing 1 or 2 dishes/trays for our event please contact Margaret Bruhjell-Holmes
