

# St. Patrick's Day TAKE 150

The event kicked off with relay races where participants raced to drop a white coin into a pot of gold at the end of a rainbow.

Slime is so much fun!

Children competed in a race to see who could swallow a rainbow the fastest, which turned out to be a fruit roll-up challenge.

Terry, our amazing chef, served up a hit with tacos in a bag, providing a delicious treat for all.

The evening was a resounding success, leaving everyone with cherished memories of a magical St. Patrick's Day TAKE 150
